

SPRING BREAK IN NICARAGUA

MARCH 7-12, 2010

An exciting study abroad opportunity to Nicaragua is currently being sponsored by NKU's Office of Education Abroad and the Honors Program. NKU students will have the opportunity to spend one week during Spring Break in Nicaragua visiting the Cultural Center of Batahola Norte. This community center is located outside of the capital, Managua, and helps to improve the standard of living of its community. This program will be led by Belle Zembrodt of the Honors Program and Nancy Jentsch, faculty of the World Languages and Literature Department and is open to all students at NKU.

Students will spend a couple of days visiting the center and learning about the different services it provides for the community such as the music, art, theatre and dance programs. There will also be time to shop for arts and crafts at the local markets within walking distance from the center.

Participants will also spend a couple of days visiting local beaches and the Masaya volcano.

Deadline for applications and a first deposit is due December 1.
